

We sincerely hope you and your family continue to stay healthy during this terrible difficult time.

This year is undeniably different as we find ourselves collectively navigating the uncharted waters of this global crisis. Our hearts and deepest hopes are for recovery for anyone most affected by COVID-19. We offer our tremendous thanks to everyone who has been doing their part either on the front lines of this crisis or by staying at home.

We will be in touch soon with more details on what The Omelette Chefs will be doing to begin catering to our clients once again. You can rest assured the wellbeing of your guests and our team members is of the utmost importance and we are taking every precaution to create a relaxing environment for everyone.

We are closely monitoring and following the Centers for Disease Control and Prevention and World Health Organization's guidelines to keep our guests safe.

In response to CDC and Department of Health reports, we are taking additional care in our operations out of an abundance of caution. Heightened cleaning and sanitation procedures have been implemented in our facilities, and safe food handling, cleaning, sanitation, and hygiene standards are being constantly reinforced.

There is an emphasis on illness prevention, and our Chefs are instructed to stay home if they are experiencing flulike symptoms or are feeling sick. Enhanced handling and packaging procedures are in place to minimize contact with food, utensils and packaging. Additional preventive measures and operational modifications may be implemented as the situation evolves.

Thank you in advance for your patience and loyalty as we work diligently to determine how best to continue serving our valued guests and communities in a safe way and to protect the wellbeing of our guests, employees and the communities we serve.

We are currently booking events for the remainder of this year with the anticipation of the group gathering limitations being lifted. Anyone booking an event and has the need to cancel may do so without any cancellation fee as long as the event is cancelled within 72 hours of the date of the event.

In closing, we want to wish all of our friends and customers good health, good fortune and an early return to the life we all enjoyed such a short time ago.

Sincerely,

Ralph and Leslie Harrison, Owners

Andrew Cieslowski, Executive Chef
