

**In response to the Covid-19 crisis...The Omelette Chefs Catering is now offering "Grab and Go" options for your consideration. We feel this service is superior to regular delivery because the Chef will be arriving to your location and preparing the menu items for your guests on site. Your guests can still have their choice of ingredients cooked to order. The prepared meals are then placed in Gourmet To-Go containers with individually sealed Utensil/Napkin packets. This option will ensure that your Guests can pass through the buffet while safely Social Distancing and then take their freshly prepared food items back to a work station or social distancing area to enjoy! Our Grab and Go menus are available on line at [www.omelettechefs.com](http://www.omelettechefs.com) or contact our booking coordinator for more information.**

**We also wanted you to know that anyone booking an event and needs to cancel may do so without any cancellation fee as long as the event is canceled within 72 hours of the date of the event.**

We are closely monitoring and following the Centers for Disease Control and Prevention and World Health Organization's guidelines to keep our guests safe.

In response to CDC and Department of Health reports, we are taking additional care in our operations out of an abundance of caution. Heightened cleaning and sanitation procedures have been implemented in our facilities, and safe food handling, cleaning, sanitation, and hygiene standards are being constantly reinforced.

There is an emphasis on illness prevention, and our Chefs are instructed to stay home if they are experiencing flu-like symptoms or are not feeling well. Enhanced handling and packaging procedures are in place to minimize contact with food products, utensils and packaging. Additional preventive measures and operational modifications may be implemented as the situation evolves.

Thank you in advance for your patience and loyalty as we work diligently to determine how best to continue serving our valued guests and communities in a safe way and to protect the wellbeing of our guests, employees and the communities we serve.

Please contact me if you have any questions about any of our services!
